INDEPENDENT AUDITOR'S REPORT

The Board of Directors The Global FoodBanking Network Chicago, Illinois

Report on the Financial Statements

We have audited the accompanying financial statements of The Global FoodBanking Network ("GFN"), which comprise the statements of financial position as of June 30, 2019 and 2018, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to GFN's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of GFN's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Global FoodBanking Network as of June 30, 2019 and 2018, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 1 to the financial statements, GFN has adopted ASU 2016-14 - *Not-For-Profit Entities* (*Topic 958*): *Presentation of Financial Statements of Not-For-Profit Entities*. Our opinion is not modified with respect to this matter.

NOTE 1 - NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES

<u>Nature of Activities</u>: The Global FoodBanking Network (GFN) is an international not-for-profit organization that was incorporated in Illinois, USA on January 4, 2006. GFN was established to advance one of the most promising, community-based solutions to hunger – food banking. Food banks capture food poised to be wasted and redistribute it to those in need. They are non-profit wholesale distributors, sourcing food destined for the landfill and delivering it to agencies serving the hungry at a fraction of the cost it would be to purchase the food at retail stores. The results are more hungry people are fed, less food is wasted, and more charitable dollars are spent on addressing the root causes of hunger instead of purchasing food at retail costs. One food bank can alleviate hunger in a community. The Global FoodBanking Network envisions a thriving network of food banks that nourish the world. The Global FoodBanking Network works towards this vision by launching food banks where they are needed and accelerating the development of food banks to reach more hungry people, with more nutritious food. GFN's connections are global, but it specializes in advancing and supporting the food banking model in emerging markets, where hunger and food loss rates are high.

Founded in 2006 by Bancos de Alimentos de México, Feeding America, Food Banks Canada, and Red Argentina de Bancos de Alimentos, GFN now connects and empowers organizations in more than 30 countries that together rescue over 1 billion pounds (unaudited) of food annually to nourish 9.6 million people (unaudited). In addition, GFN closely partners with the European Federation of Food Banks (FEBA).

GFN's program activities are primarily funded through corporate, foundation, and individual contributions. GFN's ongoing operations are dependent on the continued support of these funders.

<u>Basis of Presentation</u>: The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America. GFN reports information regarding its financial position and activities in two classes of net assets: without donor restrictions and with donor restrictions based upon the existence or absence of donor-imposed restrictions as follows:

- *Without Donor Restrictions:* net assets that are available to support GFN's operations and are not subject to donor-imposed restrictions.
- With Donor Restrictions: net assets that represent contributions received that are intended to be used for a purpose as specified by the donor and/or passage of time. Assets are released from donor restrictions by incurring expenses satisfying the purpose specified by the donor and/or passage of time. This also includes net assets that represent contributions that are subject to donor-imposed restrictions that are to be maintained permanently by GFN. There were no net assets with permanent donor restrictions as of June 30, 2019 and 2018.

<u>Use of Estimates</u>: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make certain estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

<u>Donated Services</u>: A number of organizations have made in-kind donations or volunteered their services to GFN. Donated goods and services requiring specific expertise have been reflected in the financial statements at their approximate fair value.

NOTE 1 - NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

<u>Recognition of Revenue and Public Support</u>: Contributions are reported as increases in net assets without donor restrictions, unless use of the related assets is limited by donor-imposed restrictions or restricted due to time. Expenses are reported as decreases in net assets without donor restrictions. Gains and losses on investments are reported as increases or decreases in net assets without donor restrictions unless their use is restricted by explicit donor stipulations or by law. Expirations of donor restrictions recognized on net assets (i.e. the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as net assets released from restriction.

Private gifts, including pledges, are recognized in the period the gift is made. Conditional pledges are not recognized until the conditions on which they depend are substantially met. Contributions of assets other than cash are recorded at estimated fair value. Contributions to be received after one year are discounted at an appropriate discount rate commensurate with the risks involved. Accretion of discount is recorded as additional contributions in accordance with donor-imposed restrictions, if any, on the contributions. An allowance for uncollectible pledges receivable is provided based upon management's judgment, including such factors as prior collection history, type of contribution and nature of fundraising activity.

Contributions received with donor-imposed restrictions that are met in the same year as the gifts are received are reported as contributions of the net asset with donor restrictions class until all conditions of the donation have been met. Contributions from contract agreements is recognized as it is earned through expenditure in accordance with the agreements.

<u>Cash and Cash Equivalents</u>: Cash and cash equivalents consist of immediately available funds (checking and money market accounts). GFN maintains its cash in bank deposit accounts which, at times, may exceed federal insured limits.

<u>Furniture and Equipment</u>: Furniture and equipment over \$1,000 is capitalized and stated on the basis of cost at date of purchase or fair market value at the date of donation. Depreciation is computed using the straight-line method over the estimated useful lives of the assets.

<u>Functional Expenses</u>: Operating expenses directly identified with a functional area are charged to that area and, where these expenses affect more than one area, costs have been allocated among the programs and supporting services benefited based on either full time equivalents of personnel or square footage of assigned space.

<u>Income Taxes</u>: GFN has received a determination letter from the Internal Revenue Service indicating that it is a not-for-profit entity as described in Section 501(c)(3) of the Internal Revenue Code ("IRC") and is exempt from federal income taxes on related income pursuant to Section 501(a) of the IRC, except for taxes pertaining to unrelated business income.

GFN follows guidance with respect to accounting for uncertain tax positions. No provision has been made for income taxes in the accompanying financial statements, as GFN has had no unrelated business income. Management believes GFN has no material unrecognized income tax benefits, including any potential loss of its tax-exempt status. Accordingly, no provision for income taxes has been made in the financial statements. There were no income tax related interest or penalties recognized by GFN for the years ended June 30, 2019 and 2018. GFN has not been examined by any tax jurisdiction. GFN recognizes interest and penalties related to unrecognized tax benefits in interest and income tax expense, respectively. GFN recognized and accrued no amounts for interest and penalties as of and for the years ended June 30, 2019 and 2018. GFN does not expect the total amount of unrecognized tax benefits to significantly change in the next 12 months.

NOTE 1 - NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (Continued)

<u>Reclassifications</u>: Certain prior year amounts have been reclassified to conform with the current year presentation. These reclassifications had no effect on net assets or the change in net assets.

Adoption of New Accounting Standard: In August 2016, the FASB issued (ASU) 2016-14, *Not-for-Profit Entities: Topic 958.* The amendments in this Update affect not-for-profit entities (NFPs) and the users of their general purpose financial statements. The amendments in this Update make certain improvements to the current net asset classification requirements and the information presented in financial statements and notes about an NFP's liquidity, financial performance, and cash flows. GFN implemented this guidance for the year ended June 30, 2019, and the new disclosures are located in the statements of financial position, statement of activities, and Notes 5 and 8.

<u>Recent Accounting Guidance</u>: In June 2018, the FASB issued (ASU) 2018-08, *Not–for-Profit Entities: Topic 958 Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made.* The amendments in this Update clarify and improve current guidance about whether a transfer of assets is a contribution or an exchange transaction. The amendments clarify how an entity determines whether a resource provider is participating in an exchange transaction by evaluating whether the resource provider is receiving commensurate value in return for the resources transferred. The amendments are applicable to GFN for the year ending June 30, 2020.

In February 2016, the FASB issued (ASU) 2016-02, *Leases*. This ASU affects any entity that enters into a lease, with some specified scope exemptions. The main difference between previous GAAP and this ASU is the recognition of lease assets and lease liabilities by lessees for those leases classified as operating leases under previous GAAP. The amendments in this ASU are effective for fiscal years beginning after December 15, 2019 (i.e., January 1, 2020, for a calendar year entity).

GFN has not yet implemented these ASUs and is in the process of assessing their effect on GFN's financial statements.

NOTE 2 - PLEDGES RECEIVABLE

Unconditional promises to give are expected to be received in the following periods:

	<u>2019</u>	<u>2018</u>
Less than one year Between one and five years	\$ 1,397,257 <u>2,138,415</u> 3,535,672	\$ 1,057,585 <u>3,007,755</u> 4,065,340

NOTE 3 - PROJECT GRANTS

GFN regularly seeks financial support for its Members and for non-member food bank development projects for specific projects/initiatives. Some funds are granted to GFN specifically for these proposed projects/initiatives; these funds are then granted to the Member(s) (or sponsors of the projects) and use of the funds is monitored by GFN to ensure compliance with the programmatic intent. GFN also provides grants to a Member (or sponsor of a project) from its general operating funds for a particular project/initiative. In such cases, similar oversight is provided by GFN to ensure appropriate use of the grant. As of June 30, 2019 and 2018, there were \$245,100 and \$5,000 in grants payable, respectively.

NOTE 4 - LEASE OBLIGATION

On November 15, 2016, the Global FoodBanking Network entered into a 10-year lease for office space in Chicago. The lease commenced on February 1, 2017 and expires on January 31, 2027. GFN has a one-time right to terminate the lease after seven years. The last three years of the lease contract are optional, which would total \$354,230 in minimum lease payments.

The lease is classified as an operating lease. Rent expense totaled \$110,331 and \$108,980 for the years ended June 30, 2019 and 2018, respectively.

The following is a schedule of the minimum future rental payments under the office space lease:

Fiscal Year		
2020	\$ 107,08	6
2021	109,33	7
